Areas of Interest/Research:

- Meeting people that are motivated to change the world for the better
- Curiosity about definitions of human dignity

What would you like to take home from our event?

- A better understanding about how human dignity can be/is enforced
- Knowledge about how I can contribute in enforcing human dignity
- Contacts to like-minded people

What would you like to contribute to our event?

- Eagerness to learn
- Lots of motivation
- Provide help in any form

What does dignity mean to you or your work?

In order to educate young people about what happens if human dignity is not respected I need a firm foundation and broad knowledge about the topic myself.
