Abstract prepared for the 2009 Workshop on Humiliation and Violent Conflict, Columbia University, New York, December 10-11, 2009

As a police trainer specializing in Tactical Communication, as well as the curriculum developer for classes, programs and workshops focusing on the Safe Handling of Emotionally Disturbed Persons and making efforts to engender Courtesy, Professionalism & Respect in encounters the NYPD has with the public, I'd like to participate in session #3 and discuss current and relevant advances in police training.
